MEMORANDUM TO: ALL NICOSIA BUREAU STAFF

SUBJECT : COMMENDATION

I have reviewed the handling of As-Sadat's 3-hour speech on 5 September. It was handled in almost textbook fashion, and I wish to commend all of those involved in the operation under

[redacted] direction. This includes [redacted] STAT
 [redacted] from STAT
 the Arabic section and [redacted] from STAT
 the Communications Section. Thank you for a long night of work.

I would also like to take this occasion to commend all bureau employees for bearing the increased burden of work over the past few months so cheerfully and well. As most of you know, we had exceeded our total 1980 filed wordage by 400,000 words at the end of August. If this heavy volume continues, we shall try to get you some assistance.

Sincerely,
